Please read prior to completing registration.

1. Fundraising

ASC holds three fundraisers per year that subsidize club expenses. Without these fundraisers, skate fees would be much higher.

De Simone Fruit/Cookie Dough Sales

Hand-out date: TBD

Due date: TBD

De Simone Orchard, based in BC, has orchard-fresh fruits and juices as well as delicious cookie dough available for sale. The club keeps a portion of each item sold. Minimum 10 units sold. Delivered in mid-December.

Purdy's Easter Chocolate Sales

Hand-out date: TBD

Due date: TBD

A selection of Easter chocolates and candies available for sale. The club keeps a portion of each item sold. Minimum 10 units sold. Delivered in prior to Easter.

An additional fundraiser will be completed at some point during the season as well. Notice will be provided to parents when plans are finalized.

Participation by each family in ASC's fundraisers is optional. Parents can choose to forego the fundraiser and pay \$50 by cheque for each fundraiser in lieu of participation. ASC collects post-dated cheques at the beginning of the skate year from each family, which will be deposited if the family does not participate in the fundraisers.

The combined minimum for both fundraisers is 20 units and your \$50 post-dated cheques will not be deposited if your family meets or exceeds the combined total.

Example 1: if your family sells 14 units of fruit and 7 units of tea, the combined family total is 21 and your \$50 cheques will not be deposited.

Example 2: If your family sells 3 units of fruit and 2 units of tea, the combined family total is 5 and both \$50 cheques will be deposited.

Example 3: If your family sells 5 units of fruit and 7 units of tea, the combined family total is 12 and only one \$50 cheque will be deposited.

2. Communications

This year ASC is going to continue using Team App as the method of communication. This app allows for instant access to information as well as individualized notifications. **We will not be sending out emails to parents.**

TeamApp is a free online app that allows us to centralize document storage and schedules as well as to create group chats or private messaging. The group chats can be configured to specific groups only or to the club as a whole. The app is viewable online through your browser or through an app available to both iOS and Android users.

Each parent/skater will need to sign up for TeamApp within the next two weeks. Once you are signed up, please search for our team: *assiniboiaslatingclub*. Please ensure notifications for this app are turned on.

If you have any issues registering to use TeamApp, please contact Lisa Martin by emailing assiniboiaslatingclub@gmail.com.
